

Dispose Responsibly, Keep Our Community Clean!

Let's work together to keep our beautiful municipality clean and healthy! Proper waste disposal is everyone's responsibility, and your local landfill sites are here to help.

Why use your municipal landfill sites?

- Municipal sites are managed according to strict environmental standards, ensuring waste is handled properly.
- By using authorised sites, you're preventing illegal dumping, which pollutes our environment and harms wildlife.
- The Municipality has two easily accessible locations for residents and businesses.

Where to bring your waste:

1. Mogwase Landfill Site

- GPS - <https://shorturl.at/PEDDz>

2. Madikwe Landfill Site

- GPS - <https://shorturl.at/PDg8a>
